

# SCA Athletes and Parents Participation Contract

The following principles are understood to be in effect for athletes and parents involved in SCA interscholastic athletics:

1. A current athletic physical form must be on file with the school prior to school starting.
2. Athletic fees and additional team expenses must be paid prior to practice or participation.
3. Academic eligibility requirements must be met. Failure to do so will result in suspension from participating in competition as indicated in the Student-Athlete Handbook. Practice will still be required.
4. All players are expected to attend all practices and games. The coach must be informed when an athlete will miss a practice or a game. Penalties for absences will be determined by the coach and may include loss of participation in competition or dismissal from the team.
5. Due to the varied talents of athletes on a team, playing time is not guaranteed. It is the intent of each coach to give each player quality minutes during the season as conditions allow.
6. Uniforms and equipment distributed to the athlete are the responsibility of the participant and the parents. Distributed items must be returned promptly at the end of the sport season. Replacement of lost or damaged uniforms or equipment is required. The Athletic Director will determine the cost. Failure to comply will result in discipline up to and including the withholding of grades and transcripts.
7. All students and parents must display a Christ-like attitude and good sportsmanship in both practices and games. Inappropriate attitudes and/or behaviors may cause the person to be removed from the area of competition. After meeting with the coach, an administrator will have the final say in the matter. An administrator and the coach will then discuss the matter individually with the person.

I, the undersigned, have read and fully understand and agree to maintain the rules and regulations that will govern me as a member of an athletic team of Summit Christian Academy.
